### **Tips for designing a logo:**

*Artwork should be between 1x1" and 5x5". Keep it simple, emphasize the values of the group, and make it unique. Logos may include the name of the group, the acronym or no words at all. Think outside "the box," get creative, and have fun! The phrase "Resist - Don't Enlist" represents the mission of MAEP, and could be used as a tagline along with the logo.*
