Dear Students and Parents of Juniors and Seniors:

As a result of the “No Child Left Behind Act of 2001” and the “National Defense Authorization Act”, military recruiters and post-secondary schools have the right to access the names, addresses and phone numbers of all juniors and seniors enrolled in school. The Federal law gives parents and/or students (juniors/seniors) the right to refuse the release of this information.

Please return this form to your Guidance Office or Pupil Services by November 21, 2006.

If you decide not to sign and return this form, your name, address and phone number will remain on the list released to military recruiters as well as requesting Post Secondary Institutions.
