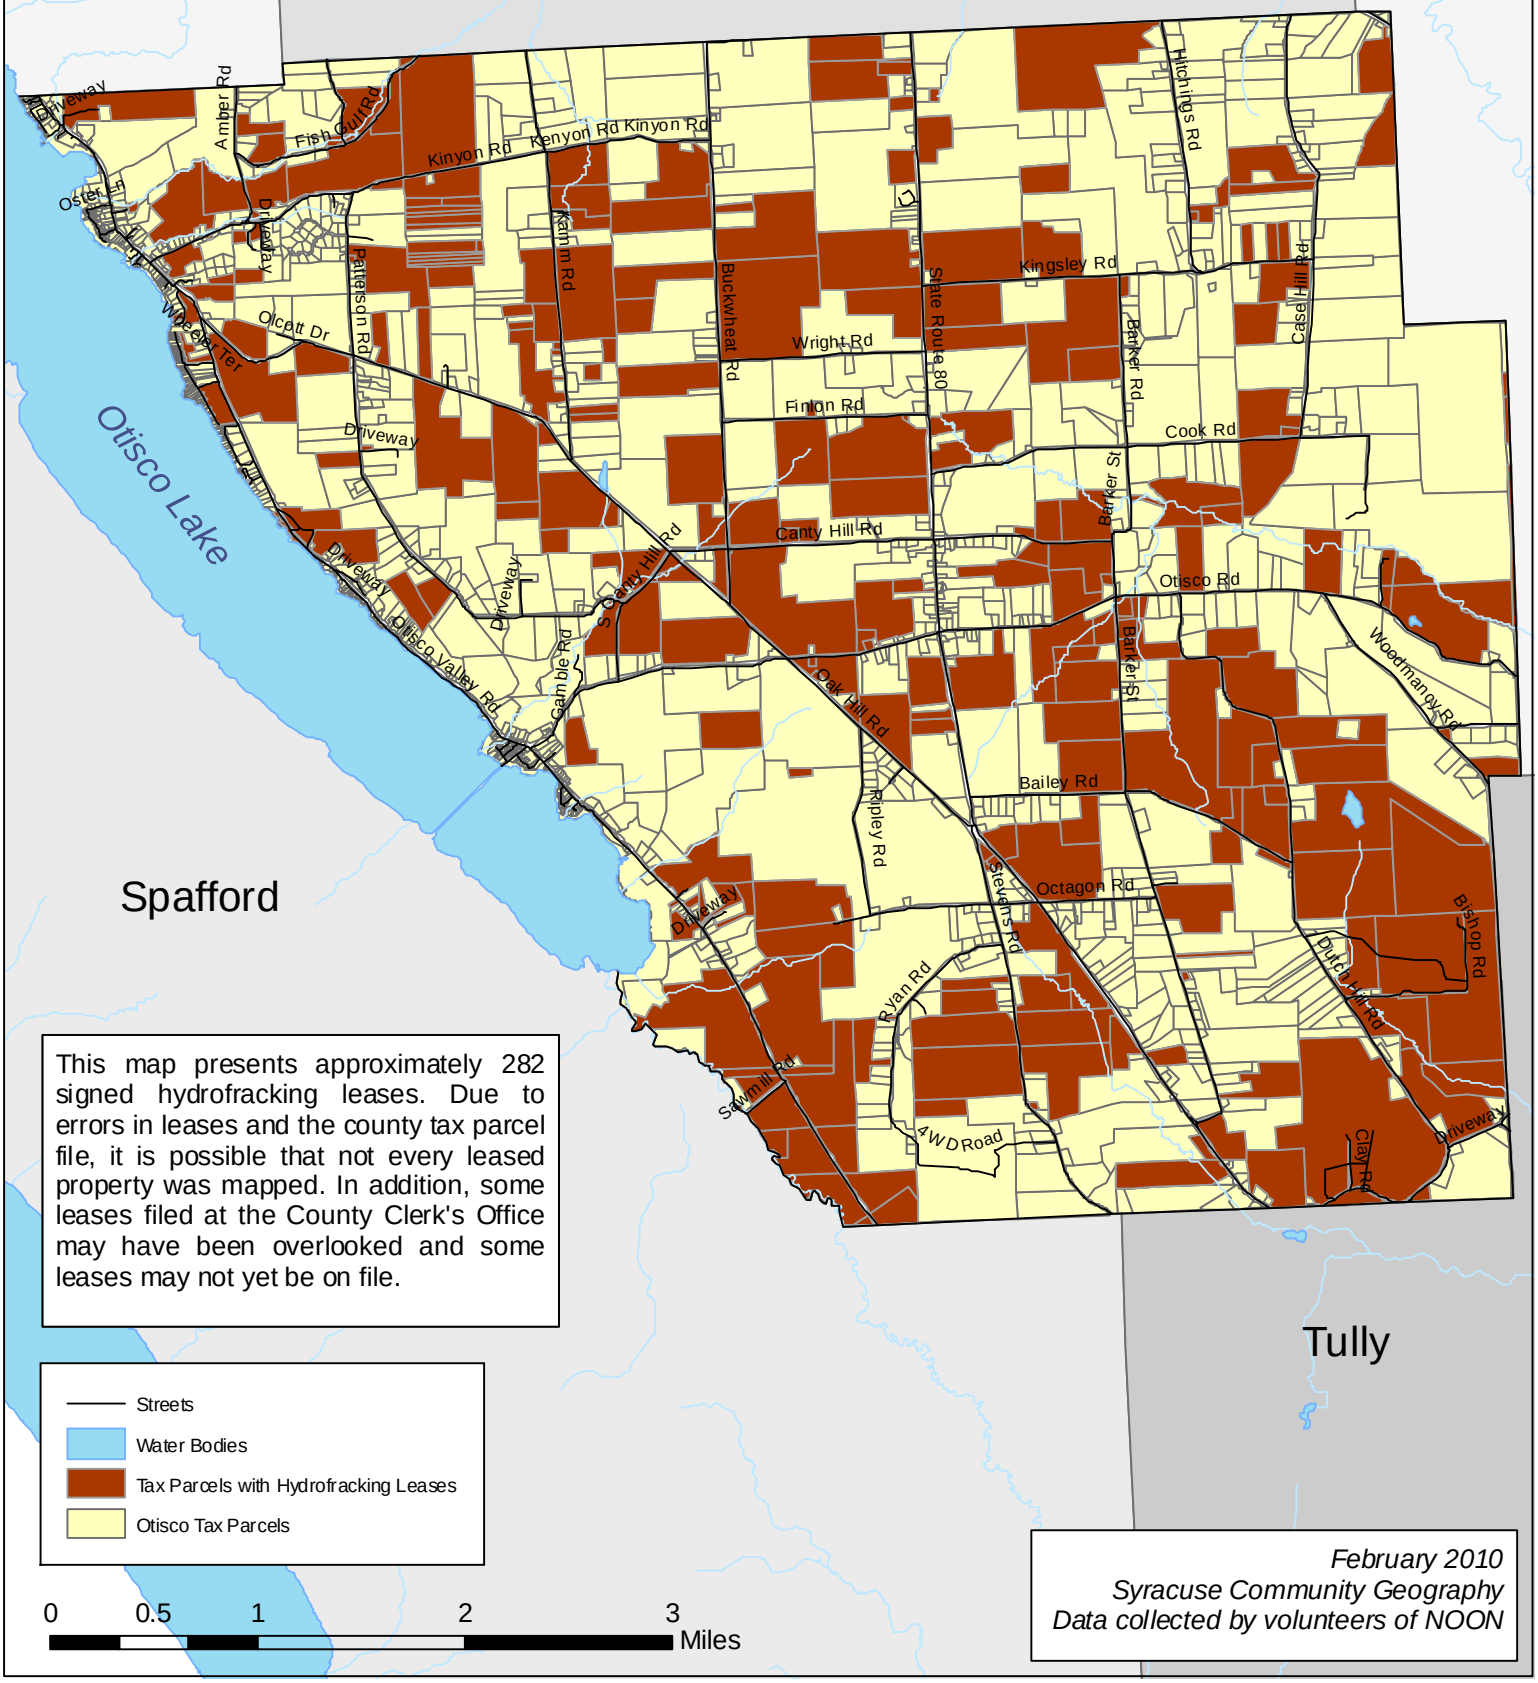
Oil and Gas Leases Signed in the Town of Otisco
January 2001 - February 2010

Properties Where Hydrofracking or Associated Activities May Occur



This map presents approximately 282 signed hydrofracking leases. Due to errors in leases and the county tax parcel file, it is possible that not every leased property was mapped. In addition, some leases filed at the County Clerk's Office may have been overlooked and some leases may not yet be on file.
