

9-29 Antiwar Rally Parking in Syracuse

General Parking:

The map below shows public parking lots and garages near the Everson Plaza. The closest parking will be lot #38 and the OnCenter Parking Garage (#39). Rates range from \$4.50-6.50/day. Other lots will be open as well, including the Harrison St. Parking Garage (#34) and many near Armory Square. *Please avoid street parking* - it's metered so you will risk a ticket unless you plan to feed the meter regularly, and it will be helpful to have the streets near the Everson clear for the event .

Bus Parking:

There is a lot near the corner of Townsend and Harrison Streets (labeled "B" on the map below) that will be available for buses. There will be a \$10 parking fee. Entrance is off Townsend St.

Full map available at: www.armorysquareofsyracuse.com/about/Parking.pdf

Syracuse University Parking:

If you plan to stay for the evening panel, you may wish to move your car from downtown to SU. (It's a 20-30 minute walk from SU to the Everson; there are also public buses). The map to the right shows the location of the University in relation to the Everson. We'll have maps available at the Everson rally.

For full information on SU parking and bus schedules, visit: <http://parking.syr.edu>
