RADIO LISTENING PARTIES ARE ONE WAY OF HELPING TO BUILD THE STRONG WALL OF PUBLIC OPINION THAT WE MUST HAVE TO KEEP US OUT OF WAR.

LETTERS - "A letter a day . . . "
Tired of writing letters to Washington? Then write to a screen star! Tell Clark Gable that you appreciate his anti-war radio appeals and appearances and that you hope MGM will produce JOURNEY'S END. Address c/o MGM, 1540 Broadway, New York City.
Do letters count? Speaker Bankhead told the new Congressmen not long ago that if they wanted to stay in Congress they had better "answer those letters from constituents the day you get them".

LETTERS TO CONGRESSMEN AND THE PRESIDENT ARE ONE WAY OF EXPRESSING THAT DETERMINED PUBLIC OPINION WHICH ALONE CAN KEEP US OUT OF WAR.

BOOKS - Our Peace Library
is of real use to the community and could be much more valuable. It greatly needs bringing up to date by the gift of new books. A few of the titles needed:
MUST WE GO TO WAR (Kirby Page, $1.00) REVOLT AGAINST WAR (Engelbrecht, $2.50)
WHICH WAY TO PEACE (Bertrand Russell, $2.50) KILL OR CURE (Muriel Lester, $1.00)
WHAT EVERY YOUNG MAN SHOULD KNOW (Harold Shapiro, $1.50)
BUY A BOOK! ..... READ A BOOK! ..... GIVE A BOOK! ..... BORROW A BOOK!

CHRISTMAS GIVERS - "As the twig is bent . . . "
Arnold & Constable, great New York City department store, announced this week that it will neither sell nor display "toys and games suggestive of war". Let all friends of peace who have struggled against this particularly insidious form of war preparation take heart - and cooperate.

INCIDENTALLY, SPEAKING OF GIFTS, WHAT BETTER GIFT ON THE BIRTHDAY OF THE PRINCE OF PEACE THAN A GIFT TO THE SYRACUSE PEACE COUNCIL!

And here's a suggestion for a child's gift: JUST LIKE YOU, stories by Lucy W. Peabody, 186 pp., a picture on every page, $1.50, first in a new series of World Friendship for Children. Order early through this office.

TWO AND TWO MAKE . . . ?
2 + 2 = The special session of Congress just convened will be the most important Congressional meeting since 1917, says Paul Harris, Jr., of the N.C.P.W. Congress then had the choice of peace or war. Once again Congress faces the same choice. State Department figures recently released show that exports of American munitions during the six months ending June 1, 1937, increased by almost 100%. The sales for October alone were 7½ million dollars, nearly double the average monthly figure for the first half of the year.

TELL THEM NOW
The President, your Senators, your Congressman
THAT YOU WANT NEUTRALITY NOT WAR!
